

Industry Profile

56 Administrative and Support, Waste Management, Remediation Services

The Administrative and Support and Waste Management and Remediation Services sector comprises establishments performing routine support activities for the day-to-day operations of other organizations. These essential activities are often undertaken in-house by establishments in many sectors of the economy. The establishments in this sector specialize in one or more of these support activities and provide these services to clients in a variety of industries and, in some cases, to households. Activities performed include: office administration, hiring and placing of personnel, document preparation and similar clerical services, solicitation, collection, security and surveillance services, cleaning, and waste disposal services.

Administrative and Support and Waste Management and Remediation Services comprise 6.0 percent of all Utah employment. These businesses pay an average monthly wage of \$1,661, 33 percent lower than the statewide average for all industries.
